

Amendments to the Drawings

The attached sheet containing new Fig. 7 of the drawings has been added in accordance with the telephone conferences with the Examiner and the remarks set forth in the Notice of Allowability. New Fig. 7 is merely a block diagram showing the claimed structural elements already described in the specification. No new matter has been added by the additional drawing.

REMARKS

The specification has been amended only to describe newly added Fig. 7 as a block diagram illustrating the structural elements of the analyzer shown in Fig. 1. No new matter has been added by the amendments to the specification.

The additional material has been added in accordance with the telephone conferences with the Examiner and the remarks set forth in the Notice of Allowability.

It is therefore respectfully requested that the additional drawing and the amendments to the specification be entered.

CONCLUSION

In view of the foregoing amendments and remarks, the Applicants request reconsideration of the rejection and allowance of the claims.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, or credit any overpayment of fees, to the deposit account of Mattingly & Malur, P.C., Deposit Account No. 50-1417 (referencing attorney docket no. KAS-192).
